RESPONSE TO OFFICE ACTION

Sir:

Applicants hereby acknowledge the Office Action dated June 3, 2004. Claims 29-55 are pending in this application. Applicants respectfully request that the claims be allowed for at least the reasons submitted below.

Drawing Objections

The grounds for the objection to the drawings is set forth in part 3 on page 2 of the Office Action. Specifically, the drawings are objected to because Figures 1 and 2 do not have descriptive labels for the boxes and a proposed drawing correction or corrected drawings were required. Applicants have submitted a proposed drawing correction and request approval of the proposed drawing correction.
